

29th September - 1st October 2021

**"BUCK THE TREND,,
EPC Projects in the era of the
global pandemic.**

**Practical guide to approach
your EPC Project during and
after the COVID-19 crisis**

**100+ EXPERT'S
SUMMIT**

2021 SUMMIT KEY FOCUS

- What impacts the Parties can identify to the works falling under the scope of the EPC Contract.
- To what extent the project implementation schedule (including in particular the milestones and the final completion date), the procurement plan and the transportation study have to be revisited and, possibly, amended.
- The Contractual Sandwich Case—Managing Vertical Integration Through Contracts Implement digital use cases that promote collaboration.
- The role of effective relationship management in successful large oil and gas projects Monitoring Negotiations to Mitigate Risk in Multiple Party Contracts.
- Leadership challenges and workforce management strategies- Leadership importance in a crisis: Responding to the coronavirus outbreak and future crises.
- Workforce Strategies for Post-COVID Recovery Project Execution Set-up: Aiming for the high value success.
- The Project Manager of the Future, Digital Transformation at the Project Manager Level Applying case analysis to determine a project's strengths, weakness and possible failure factor.
- Mitigating the risk of delays in power plant projects: An EPC contractor's view on different contractual concepts

Schlumberger

Karl Simons
Chief Health, Safety &
Security Officer
Thames Water

Pete Harpum
Director
Portitor Ltd

Andy Crisp*
VP Trade Compliance
CGG

PARTICIPATING COMPANIES

08:30 Registration and Morning Coffee

09:00 Chairman's Opening Remarks

Leadership challenges in the Project Portfolio Management industry – and solutions

09:10 **Identified critical leadership competencies**

Opening Address Case Study

- Introduction
- Competencies needed to deliver business results in an uncertain and chaotic environment
- A major organisational transformation
- Adapting your personal communication style to improve your effectiveness

Pete Harpum
Director
Portitor Ltd

09:50 **Working to improve your personal and cross-project team performance**

Case Study

- Working with peers to develop personal leadership competencies
- Adapting your personal communication style to improve your effectiveness
- Reflect on how this approach can improve cross-sector project performance PM processes

Pete Harpum
Director
Portitor Ltd

10:30 Morning Coffee and Networking

The Project Manager of the Future, Digital Transformation at the Project Manager Level

11:00 **Group work to identify lessons & improvements to actual solution**

Case Study

- If every project is unique, then why train AI Models?
- Executive business leaders and executive project leaders: business critical connections
- Working with peers to develop personal leadership competencies

Pete Harpum
Director
Portitor Ltd

11:40 **What has Covid taught us? Using Data as an asset and what to do with it?**

Case Study

- Managing Interfaces and how to implement proven methods
- Getting ready for data driven decisions in modern world
- What organizations must understand about data banks and its future as an investment and business point of view
- Implementing data into EPCM Worldflow practices

Jan Willems
Director, Project Controls
Fluor

12:20 Lunch Time

13:30 Coffee and Networking Break

Tackling EPC challenges through Digitization: Role of emerging technologies

14:00 **Digital innovation : A path common for all industries yet behind**

Case Study

- Data driven Supply Chain Optimization
- Experience Sharing with regards to Digital Transformation
- in Ahlers Application of Data Analytics in complex logistics Environments

Jeroen De Ryck
Business Unit Director Projects & Machinery
Ahlers

14:40 **Ability to make data-driven decisions, and collaborative leadership skills**

Case Study

- Extract knowledge from data with the purpose of improving project outcomes.
- Challenges During a Digital Transformation
- Spread Agile Values
- Implement digital use cases that promote collaboration

15:20 Afternoon Tea and Networking

16:00 **Group Discussion**

- How to win as a 'Resilient Leader' leader in Covid times?
- The chain reaction of events after drastic measures taken worldwide to mitigate the spread of Covid-19 and its direct correlation that led to an unprecedented drop in the demand for oil and a corresponding catastrophic collapse in prices, how will this shape up 2021?
- Is the Covid-19 crisis speeding up the digitization process (or is it likely to do so in future)?

16:40 **Summary of Day 1**

16:45 **Closing Remarks from the Chair and End of Day 1**

MEDIA PARTNERS

08:30 Registration and Morning Coffee

09:00 Chairman's Opening Remarks

Post Covid future of EPC : New Frontiers, New Challenges, New approaches

09:10 **Post Covid EPC: New Frontiers, New Challenges, New approaches**

Opening Address Case Study

- Introduction
- Troubleshooting common issues during mega projects
- Competency tools and implementing new trends for older problems Highlights

Pete Harpum
Director
Portitor Ltd

09:50 **Challenges in the Offshore Wind Industry post pandemic**

Case Study

- What are the forecasted world-wide growth
- How does the industry cope with the challenges Project Management – same or different?

Niels Bjært
Head of offshore Project
Management
Siemens

10:30 Morning Coffee and Networking

11:00 **Electrification & Carbon footprint reduction**

Case Study

- Introduction and getting familiar with current situation
- Research based focus
- Best Practices and company perspective

Halvorsen Lars Jønholt
Managing Director
Semco Maritime

11:40 **How ESG and Ecosystem Management are Transforming EPC**

Case Study

- Introduction
- Social value/ESG and ecosystems
- Future Outlook

Integrated Joint Session

Adrian Furner
Former Board Director Fellow
IAACM

Paula Doyle
Vice President, Legal Sector
IAACM

12:20 Lunch Time

13:30 Coffee and Networking Break

Contract, Risk and Change Management in the year 2021

14:00 **Key towards Project Success: Training/ Inspiring**

Case Study

- Why purpose is GOLD in successful organizations?
- Engineering: How to make them perform the work efficiently
- Company example

Marco Russo
Engineering Center Manager
Schlumberger

14:40 **Commercial Contract Management Strategy : What should a pandemic related scenarios contracts look like and its applicable legal and contractual provisions.**

Case Study

- Evaluating the impact of risk-based contracting on project quality and expenditure during the cycle
- Evaluating the client current capacity to withhold the project alignment with a strong co-relation of contractors

Andy Crisp*
VP Trade Compliance
CGG

15:20 **Megaproject Scope Strategies**

Case Study

- Handling the scopes - many ways to put the project together
- Considering the options for a hypothetical mega project
- Experiences from a real mega project in execution during covid

John Throop
Senior Advisor & Co-founder
The Project Gearbox AS

16:00 Afternoon Tea Break

16:40 **EPC: Project Control efficiency and beyond**

Case Study

- Understanding key concepts
- Best Practices in Project controls, Management Risk management
- Talent Acquisition
- Contracts/Change Management

Thomas Cream
Independent Project Controls Manager
Norway

17:10 **Panel Discussion**

- Oil prices drop due to failed agreements on production cuts, how the future might shape up for O&G ?
- Consequence of government intervention due to measure of operations by project owners during the pandemic
- Long-term impact and consequences on the petroleum industry Workforce
- Strategies for Post-COVID Recovery Project Execution Set-up: Aiming for the high value success

17:50 **Summary of Day 2**

17:55 **Closing Remarks from the Chair and End of Day 2**

08:30 Registration and Morning Coffee

09:00 Chairman's Opening Remarks

Execution Set-up & PSCM: Aiming for the high value success

09:10 Creating Value through In-Country Supply Base Development

Opening Address

- Introduction & Research
- Best Practices

Paolo Mondo
Vice President
Group Performance Improvement &
Supply Chain Excellence
Maire Technimont

09:50 Executing Large Project with Multiple Contractors

Case Study

- Tailored Project Management tools
- Research driven method from business point of view
- Expecting the unexpected during post design phase

Paul Taylor
Technical Director Program Management
Stantec Group

10:30 Coffee Break

EPC Mega Projects: Project Control and Risk Management

11:00 Impact of Covid-19 outbreak on a Large EPC Project

Case Study

- Unforeseen Project Management Risk: Pitfalls and Challenges
- Mitigation actions implemented: Engineering, Procurement and Construction
- Lesson learned for future EPC's

Mark Langerhorst
Project Manager
Worley

11:40 Covid Crisis: Residual Risk in Project Management

Case Study

- Understanding the risks involved
- Facing the unknown
- Proposed solutions and best practices

Marco Alba
Sales Engineer EMEA
Hartford Steam Boiler International

12:20 Lunch Time

13:30 Coffee and Networking Break

Successful Organization: Mentoring, Smart Contracting & Commissioning Strategy

14:00 Psychological Impact of Covid: Influencing organisational psychology through creating a World Class Mental Health Programme

Case Study

- Developing a holistic psychological health programme
- Creating the link between behavioural psychology and Incidents
- Introducing robust Health Performance Indicators (HPIs) through the supply chain
- Capturing and monitoring the impact through risk visualisation

Karl Simons
Chief Health, Safety & Security Officer
Thames Water

14:40 An EPC contractor's view on impact of Covid-19 in your jurisdiction on oil and gas operations

Case Study

- Understanding the impact in jurisdiction post Covid-19 on oil and gas operations and has force majeure/ hardship or similar provisions (contractual or otherwise) been invoked?
- What to expect to see litigation cases, or will parties reach an amicable arrangement?

Jacob Jørgensen
General Counsel
Swire Blue Ocean

15:20 Best Practices in Utility Sector: Company Perspective

Case Study

- Introduction
- Lesson learned
- Future Outlook

Nimish Vora
Divisional Director - Utility
Mott MacDonald

16:00 Afternoon Tea Break

16:40 Panel Discussion

This session is an open discussion, where delegates will be divided into groups, each group will include representatives from Power Companies NOCs, service providers and the summit's speakers and will get to exchange their thoughts, discuss and ask questions in regards as conclusion of the conference and Next Steps.

17:10 Summary of Day 3

17:15 Closing Remarks from the Chair and End of Day 3

9th Annual Global EPC Project Management Summit September 2021

TERMS & CONDITIONS

PAYMENT:

Fees are inclusive of program materials and refreshments. Payment prior to conference is mandatory for attendance.

Your registration will not be confirmed until payment is received and may be subject to cancellation.

Following completion and return of the registration form, full payment is required within 5 days from receipt of invoice.

PLEASE NOTE: payment must be received prior to the conference date. A receipt will be issued on payment.

Due to limited conference space, we advise early registration to avoid disappointment. We reserve the right to refuse admission if payment is not received on time.

CANCELLATION, POSTPONEMENT AND SUBSTITUTION POLICY:

You may substitute delegates at any time by providing reasonable advance notice to OPEX Group

For any cancellations received in writing not less than eight (8) days prior to the conference, you will receive a 90% credit to be used at another OPEX Group conference which must occur within one year from the date of issuance of such credit. An administration fee of 10% of the contract fee will be retained by OPEX Group for all permitted cancellations. No credit will be issued for any cancellations occurring within seven (7) days (inclusive) of the conference.

In the event that OPEX Group cancels an event for any reason, you will receive a credit for 100% of the contract fee paid. You may use this credit for another OPEX Group event to be mutually agreed with OPEX Group, which must occur within one year from the date of cancellation.

In the event that OPEX Group postpones an event for any reason and the delegate is unable or unwilling to attend on the rescheduled date, you will receive a credit for 100% of the contract fee paid. You may use this credit for another OPEX Group event to be mutually agreed with OPEX Group, which must occur within one year from the date of postponement.

Except as specified above, no credits will be issued for cancellations. There are no refunds given under any circumstances.

OPEX Group is not responsible for any loss or damage as a result of a substitution, alteration or cancellation/postponement of an event. OPEX Group shall assume no liability whatsoever in the event this conference is cancelled, rescheduled or postponed due to a fortuitous event, Act of God, unforeseen occurrence or any other event that renders performance of this conference impracticable, illegal or impossible. For purposes of this clause, a fortuitous event shall include, but not be limited to: war, fire, labour strike, extreme weather or other
